

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

United States of America,

Case No.: 2:16-cr-00111-JAD-DJA

Plaintiff

Order Denying Motions as Moot Due to Release

V.

[ECF No. 354, 355]

Craig P. Orrock,

Defendant

8 While serving a 32-month custodial sentence at the Federal Prison Camp in Lompoc,
9 California, Defendant Craig P. Orrock moved for compassionate release¹ and that motion was
10 supplemented by counsel.² During the briefing on that request, the government learned that
11 Orrock had been approved for release to home confinement by the Bureau of Prisons (BOP).³
12 The government reported that Orrock was scheduled to leave the Lompoc institution for home
13 confinement on October 30, 2020.⁴ The court has been following Orrock's status closely, and
14 the BOP website now reflects that Orrock is no longer in BOP custody.⁵ IT IS THEREFORE
15 ORDERED that **Orrock's Motions for Compassionate Release [ECF Nos. 354, 355]** are
16 **DENIED** as moot.

Dated: November 2, 2020

U.S. District Judge Jennifer A. Dorsey
